2015 Sr. PGA Championship presented by KitchenAid:
Cook Ticket Request Form

We would like to provide the unique opportunity for all Cook Employees to acquire general admission ground passes for the 76th Seniors PGA Championship presented by KitchenAid. This major sporting event is being held at the Cook-owned French Lick Resort on The Pete Dye Golf Course.

We want every Cook Employee to have the chance to bring family and friends to the oldest and most prestigious championship in Senior golf.

Any ticket issued through this offer will be a "flex" ticket that will be good for one day admission to the Championship. If you desire to attend more than one day, you will need to request tickets for each day that you wish to attend.

We are looking forward to having you, your family and friends help support our efforts to bring awareness of French Lick Resort and Southern Indiana by being a part of this special experience.
